Session Schedule

Sessions generally occur the 2nd Tuesday of each month from 8:00 a.m. to 4:00 p.m. as follows:

Sessions
March thru November

Project Workshop
December

Finals/Presentations
January 2020

Graduation
February 2020

Class Project

Participation in projects will require additional time outside of above class dates. Time commitment will vary depending on number of participants and project selected. Participation is required.

Participation and Tuition

Tuition is \$650.00 for each participant. Chairman Circle Member Tuition is \$500 per participant. Tuition is non-refundable and must be paid by February 28, 2019.

Graduation from this program is contingent on class attendance and productive participation in project assignments. Participants who miss more than one full day during the program, counted in half-day increments, are subject to expulsion.

Tuition will not be refunded if participant fails to complete the course for any reason.

Employer Approval

Your employer must acknowledge the attendance requirements of, and support your participation in, the GNACC LEAD Program (if you are not self-employed).

By signing below, I acknowledge the attendance requirements of the GNACC LEAD Program and support the above named employee's participation.
