# Sponsorship Opportunities

Good Morning !

I hope all is well! Rose City Athletics/ CrossFit TRONE is hosting our first annual Spring Fling Invitational **May 11th** and 12th and we wanted to reach out.

As you know, Rose City Athletics/ CrossFit TRONE is an athletic facility since November 3rd, 2018 that has and will continue to build a community that fosters a balance of Health and Wellness. We offer CrossFit, Personal Training, and Massage Therapy.

Every year over 600,000 deaths are caused by Heart disease in the United States. That is 1 out of every 4 people. Our business is rooted deeply in being committed to help change these numbers. In the past 18 months we have improved the lifestyles of over 250 individuals ranging from 10 years old to 70+. Our intention of being a part of a positive, healthy change and evolution in Downtown Norwich is coming into fruition.

We are seeking sponsors for our **FIRST** Spring Fling Invitational!

We would be honored if you would support Rose City Athletics- CrossFit TRONE in our FIRST Spring Fling Invitational by sponsoring our event.

Below are the sponsor opportunities. Please send us an attachment of your logo along with your choice of being displayed on either a banner or competition t shirts. We will feature YOUR LOGO on a banner hung up in our facility (Shown Below) or the back of the shirt and we are projecting having hundreds of people compete or attend our competition over the weekend.

We would also greatly appreciate any gear or merchandise that we could use for prizes for the competitors.

We are looking forward to connecting with you.
